Strategic Plan 2023-2026

Encourage Lifelong Learning

We will:

- Cultivate creativity through our programs
- Support digital literacy
- Inspire life-long learning and critical thinking
- Increase library membership

Build Community

We will:

- Be a hub, connecting people to each other
- Create and increase community partnerships
- Identify and remove barriers to library services
- Evaluate the effect of library services on our community

Create Welcoming Spaces

We will:

- Celebrate our diverse community
- Promote the library as a shared space for all
- Increase collaborations that celebrate our diversity
- Build a team that embraces our values
